AUTHORIZATION

Your signature below confirms that all information in this application (including supplementary information) is factually true and honestly presented and that you are the person submitting this application.

Signature: _____

Date: _____

PLEASE REVIEW THE FOLLOWING SUBMISSION GUIDELINES WITH CARE:

Confirm that your application is legible and complete. Submit the application via email to info@amitgoswami.org to the attention of the Admissions Board along with the following documents:

1. Professional resume or vita (must be available in English);

2. University transcripts confirming receipt of your bachelor's degree if applying for our master's degree program and a master's degree if applying to our PhD program – all transcripts must be translated into English;
3. Copies of all bachelor's and master's or other advanced degree diplomas earned to date (diplomas must be made available in English);
4. Page one of the University of Technology (UOT) application provided. Please affix your photo in the upper right-hand corner of the page. Page two of the application may be left blank;
5. International applicants: A copy of a valid passport;
6. Indian residents: A copy of a valid Aadhaar Card;
7. Indian residents only: Secondary school transcripts.

Note: Please provide a handwritten, dated signature in black or blue ink in the upper right-hand corner of each page of your applications (QAV and UOT) and all accompanying documents.

Your application will be reviewed within one-week of its submission. All successful applicants will receive Letters of Admission shortly following a thorough review of their application for admission and all accompanying documents. If you are admitted, please confirm your acceptance of our admission offer at your earliest convenience.
